ROBIN GAUDU

DIGITAL MARKETING, CRM & DATA SPECIALIST | FULL-TIME

Master's graduate in Digital Marketing (IPAG Business School) with 2.5+ years at Consentio (B2B SaaS, Madrid & Paris) in CRM, emailing and data marketing. I doubled the newsletter open rate from 18% to 36% and automated a 9,000-contact database with 30 HubSpot and ActiveCampaign workflows. Google Analytics and Google Tag Manager certified, I use generative AI and AI agents in my daily work to deliver faster and automate repetitive tasks. Available immediately.

PROFESSIONAL EXPERIENCE

CONSENTIO

Madrid & Paris | Mar. 2024 – Oct. 2026

Junior Client Success & Product Marketing — Internship, then Apprenticeship

- **Digital Performance & Tracking:** Built and maintained around twenty dashboards (traffic, conversion, emailing, LinkedIn) for the Product & Sales teams; GTM tagging plan and conversion funnel analysis in GA4.
- **AI & Automation:** Used generative AI for trilingual newsletters, video tutorials and data analysis; built AI agents to automate client emails and calculate client activity on the platform.
- **CRM & Marketing Automation:** Segmented a 9,000-contact database and built 30 workflows in HubSpot and ActiveCampaign; set up lead scoring and tracked the sales pipeline with the Sales team.
- **Content & Client Engagement:** Ran the company LinkedIn page (content, engagement tracking, audience growth), produced 15 video tutorials and FR / EN / ES newsletters, and onboarded 100+ clients.
- **Test & Learn:** A/B tested email campaigns: open rate up from 18% to 36%, with click-through and conversion tracking.
